William Taylor Reil, a graduate of VPI&SU in Blacksburg, Virginia after serving for 8 years in the United States Air Force, is a 66 year old retired Electrical Engineer and Data Communications Systems Sales and Marketing Manager. Since 1990, Mr. Reil has been intently studying and researching Constitutional Law, particularly Pennsylvania History and Law. In 1994, he helped establish the Pennsylvania Committee of Correspondence to educate and network Pennsylvanians together in an effort to actively reclaim our rights. The PCC also published and distributed the “Pennsylvania Patriot Press” newspaper.

Mr. Reil has been active in various other grass-root organizations and has worked with several Pennsylvania Legislators to help return the government to within its lawful, constitutional boundaries.

Presently Mr. Reil is an active member of the Communities’ Alliance for Responsible Eco-Farming (C.A.R.E.), the Pennsylvania Independent Consumers and Farmers Association (PICFA) and the Pennsylvania Campaign for Liberty.
